New Product Launch
Introducing:

Ritmo Poly-fusion Butt welding machinery for manufacturing of all our HDPE, PVC and PP Tanks and Ductings.

New Product Launch:

- Moulded Gratings
- Square Tubes
- Round Tubes
- Fluted Pipe
- C channel
- Round Rod
- Equal Angle
- Flat
- FRP Decking Sheet
- Cable tray

Key Attributes:

- High Load bearing capacity and low deflection
- Customisable sizes
- Maintenance free
- Ease of fixing
- Corrosion resistant
- Long durability
- Light weight
- Low installation cost
